Dear Students,

Wish you HAPPY DEEPAWALI.

We, as a department of CSE, are going for NBA (National Board of Accreditation), a central government process to rate the quality of an Engineering Institution and the department.

Our recent position in NIRF ranking (We are the 10th best engineering institution in India now) and a better accreditation status (at least for 6 years) would help improve our perception among the peers, and all other stakeholders.

To apply for the NBA, we need to collect some important information / Feedback from the present students and alumni of our department (CSE).

In this regard, I am sharing the link of a google form with you. Kindly circulate the same amongst all your classmates through social media and other means; and request them to fill all the details genuinely within the deadline.

Document filling may not take more than 5 minutes. Completing that document by 14.11.2021 would help us prepare the final NBA SAR (Self Assessment Report) document properly and submit it to the NBA intime.

If you have any doubt or concern kindly feel free to contact Dr. B. R. Chandavarkar through brc@nitk.edu.in

With the hope that all of you actively participate in this survey activity, Thank you

With Regards

Shashidhar G. Koolagudi Associate Professor & Head, Dept. of CSE National Institute of Technology Karnataka, Surathkal
